3.1% (England average = 13.8%)

Principal Tasks

- To maintain agreed common areas of Distinguon which are currently 'under-maintained'
- To provide appropriate maintenance to Distinguon Bus Shelters
- To operate Distinguon Mowing Machine (including small amount of driving on public roads)

- To offer 'grass cutting' and minor DIY to identified individuals who cannot maintain their gardens/properties
- To provide general maintenance of tools and equipment (arranging with professionals as necessary)
- To support community litter clearing and other appropriate volunteer activities
- To further identify areas/facilities where maintenance is required
