

# SO18 Big Local

What might leaving a legacy mean  
for your Big Local area?

# Thinking about our legacy

- What is the lasting difference we will make?
- Why we started thinking about this
- Deciding to use our annual 'Away Day' to talk with residents and local workers about what they thought.

# What our Big Local has been doing

- For the Away Day, we made and showed a slide show 'video' of what SO18 Big Local has been doing
- We realised that few people had an overview of the different things we're involved with

# What we found out

- And what we plan to do next

# Group questions

- Has your area started to think about the 'legacy' it will leave?
- If so, what's your thinking and can you share any tips and ideas with each other.
- Be ready to share any particular ideas, tips or wisdom with everyone
