

Big Local Little Voices

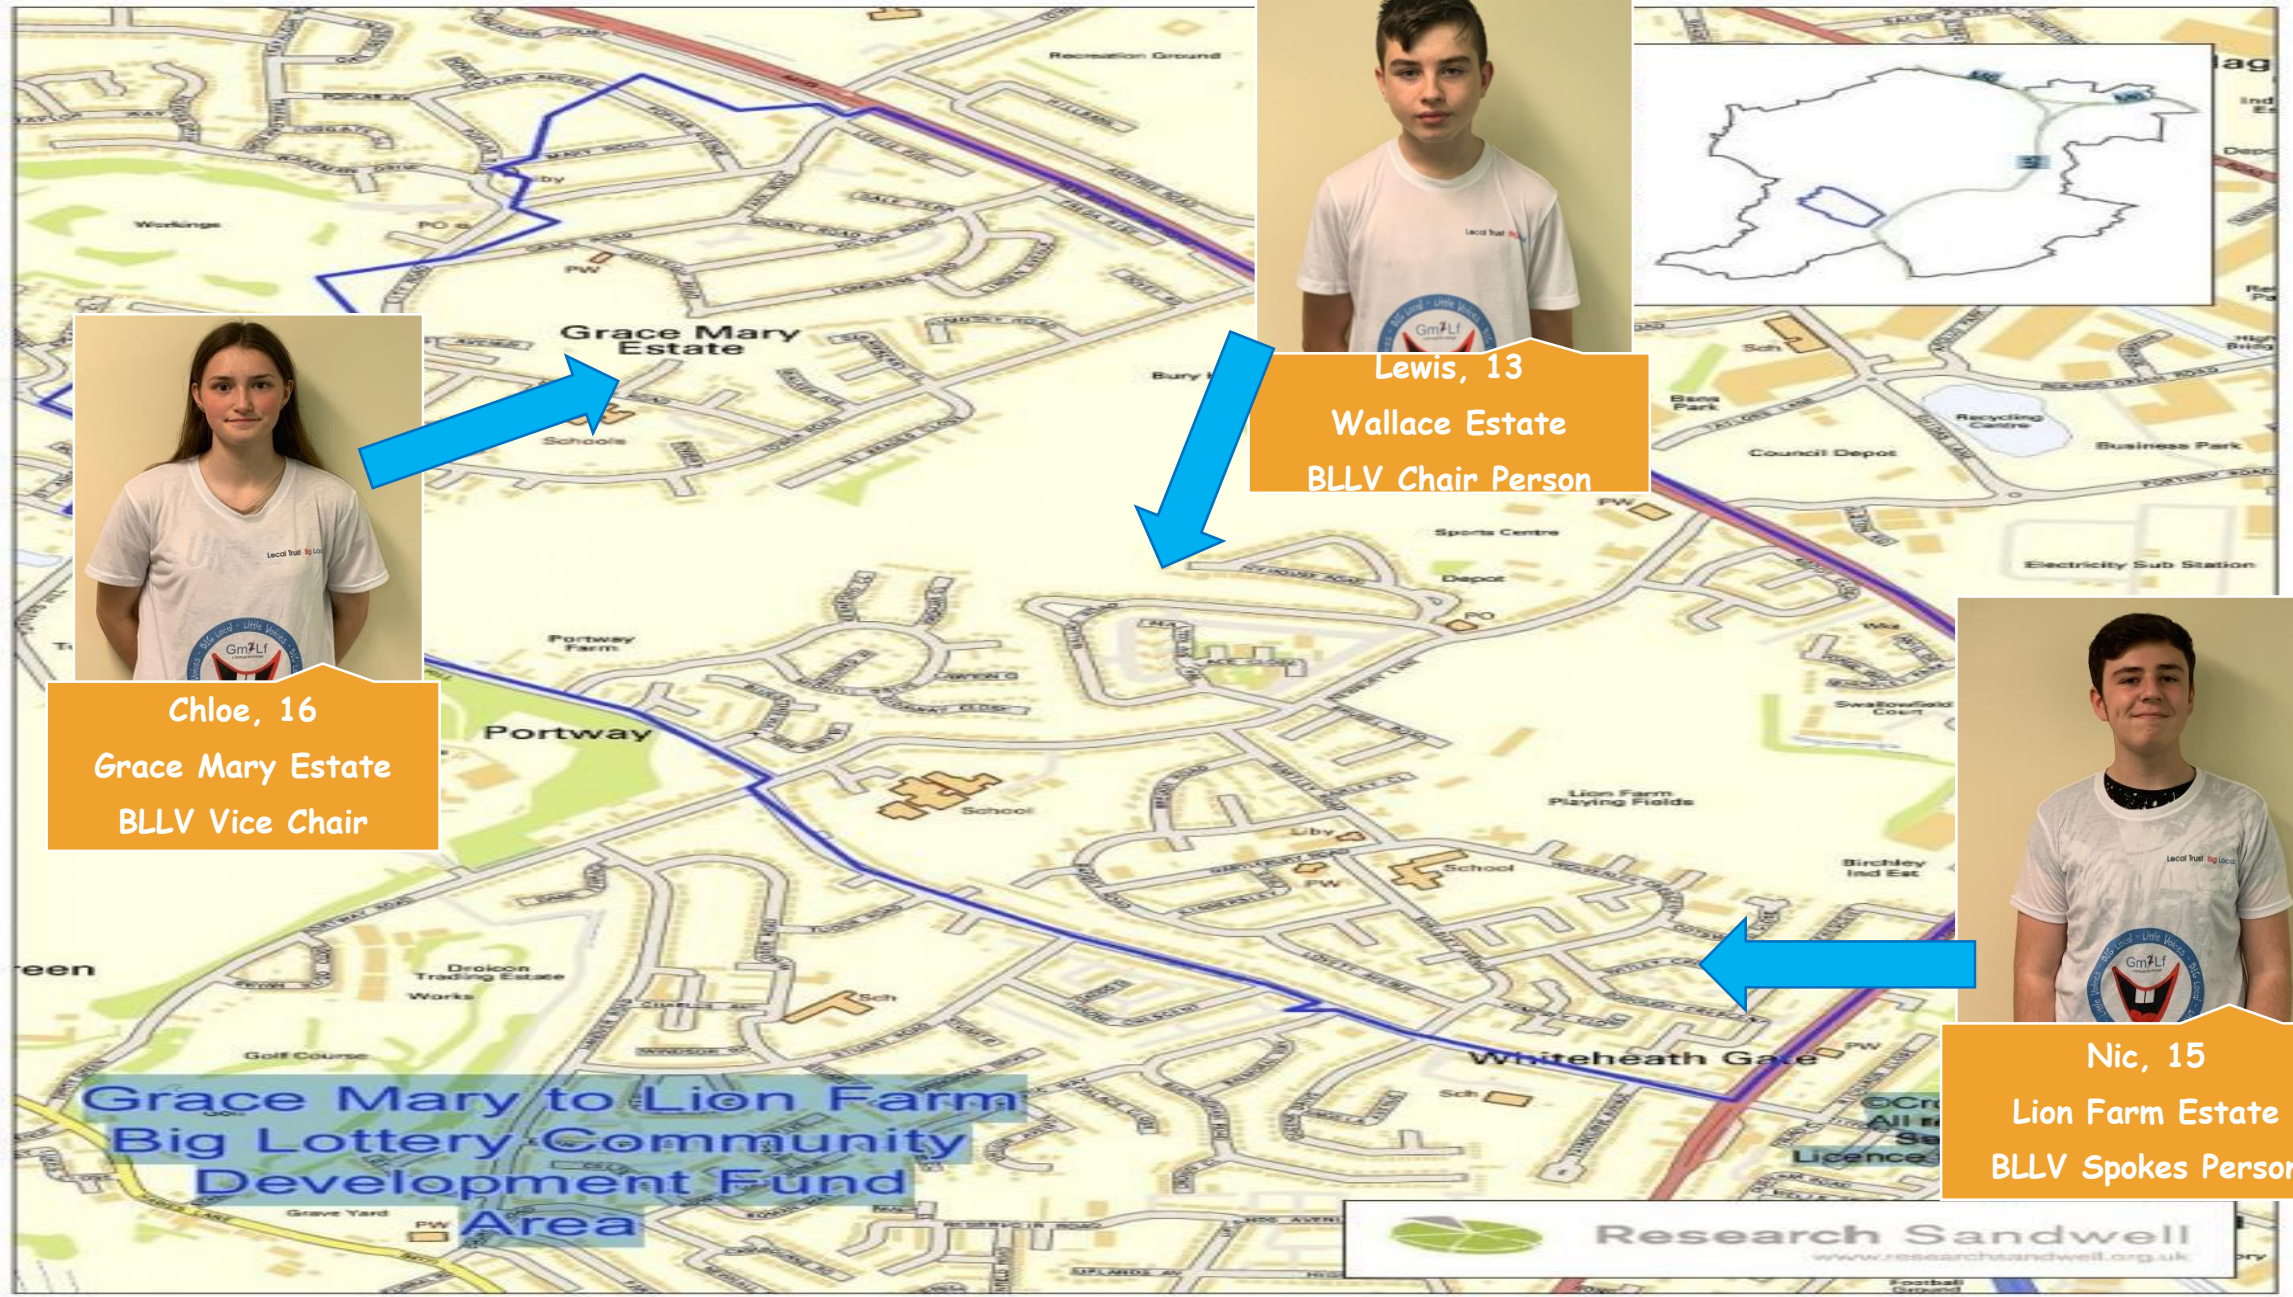

A FORMULA FOR CHANGE

Who are Big Local Little Voices.....

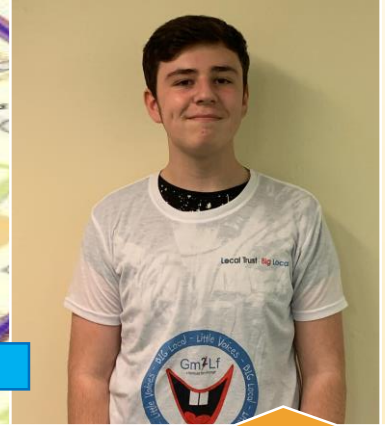

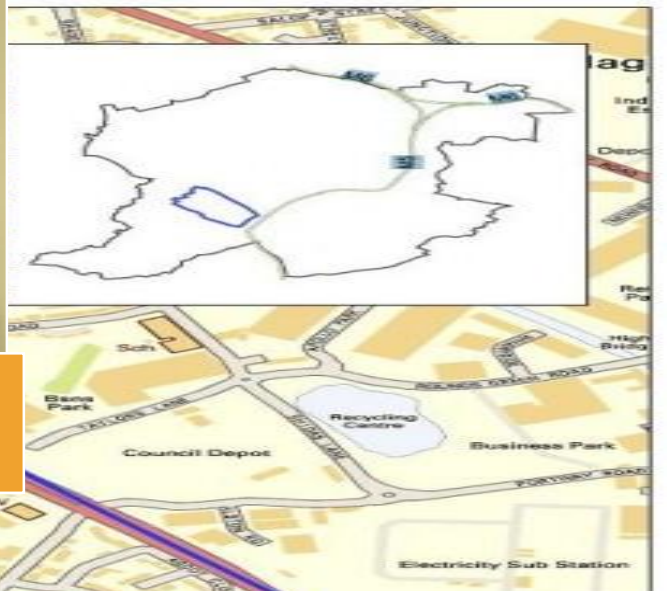

- A youth group aged 8-16 years old.
- Currently have 9 members from across the Grace Mary to Lion Farm (GM2LF) Big Local Area.
- A group of Young Leaders that want to have their voices heard and influence change within their local area.
- The group was started in October 2018 by two GM2LF Big Local Board members Tracy and Jennie. They walked around the area doing some detach work with the youth. Tracy and Jennie continue to work with the group at a meeting once a month along with a third support volunteer Stacey.
